# ABOUT NANSEMOND SWIM CLUB

Nansemond Swim Club is a member-owned and operated seasonal swim and recreational club that has been in continuous operation since 1968. Located in the historic Suffolk village of Eclipse, Virginia, NSC has been a focal point of community and family life for over 55 years year for its members and guests.

NSC offers unique features such as six, 25-meter lap lanes, a 12 ft diving well, a spacious shallow end and ample recreational space for private events and parties. The Nansemond Shark Swim Team has over 100 swimmers aged 4-18 who compete in the Western Tidewater Swimming Association every summer.

This well-loved community resource requires continuous maintenance and repair to stay operational. We greatly appreciate your help as we continue to raise funds for long-term capital improvement projects.

Together we can ensure that Nansemond Swim Club remains operational for the next generation of swimmers and their families .

Thank you for considering participating in or sponsoring our golf tournament. All proceeds will directly fund the pools capital campaign for improvement and repair. See you on the golf course.
